Facial Care

Amidst the soft lighting of the Eucalyptus and Mimosa treatment rooms, sample pure soothing heaven with a luxuriant facial.

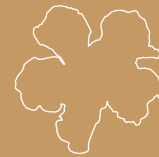

From collagen refreshment to gentle hydration, choose from a menu of advanced treatments suitable for all skin types.

Body Care

Based on ancient philosophies, Ragusa body care treatments replenish inner and outer radiance dulled by the stresses of modern life.

Revitalise with the enriching properties of a sea salt body scrub infused with essential oils and local herbs or one of many other reviving wraps and treatments.

Massages

How does it feel to have expert hands rhythmically caressing away your stresses and strains? Like heaven on earth.

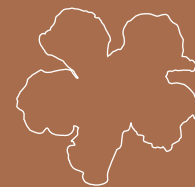

Experience extraordinary massages unique to the Ragusa Spa – classic, aromatic and exotic pampering using beauty products sourced straight from the surrounding land and sea.

Revel in an authentic body massage with warm oils or a carob body scrub with lavender and olive oil body massage.

Baths

Within the warm confines of the Dandelion treatment room algae, milk, honey, citrus fruit and hibiscus relax, rejuvenate and nourish body and mind.

The healing powers of water have been celebrated since ancient times. Find out why.

Ragusa Rituals

Maximise your wellbeing with a Ragusa Ritual, a sumptuous succession of lavish treatments.

Indulge in the authentic Rosmarinus Ritual, exclusive to the Ragusa Spa, a thermal mud and salt wrap with local rosemary, followed by a relaxing body massage in warmed oil, and a Mediterranean bath.

Or relish the romance of a Laurus Luxury Couple Ritual, a day of unforgettable candlelit pampering for both of you. Pure bliss.

Ragusa Spa Packages

For the ultimate in inner and outer beauty nothing compares to a Ragusa Spa Package, a complete spa experience scheduled to fit around your holiday or lifestyle.

Programmes are especially designed for beauty, health, expectant mothers, men and stress-relief. They include purity peelings, sensual massage and new life treatments that will leave you glowing with health and vitality.
